Dear Bingo Chairman, Co-Chairman and workers.

Enclosed you will find an invitation to join or to renew membership in The Association of Charitable Games of Missouri.

You will note the membership is based on the amount of players you average each week. With less than 75 players the cost to belong to the Association of Charitable Games of Missouri is only \$40.00.

If you average more than 75 players per week the cost would only be \$75.00.

If your association plans to attend the convention in October 2010 you may pay \$195.00 for two members to attend.

Over the past year the board members worked very hard on your behalf with the Missouri Gaming Commission to get HB 620/671 passed. As you are aware the Governor had to veto the bill due to the loss of revenue it was going to cost the state, I'm sure everyone is aware of all the cut backs the state has made in the past several weeks.

The board is looking forward to 2010, this year we will try to get items passed that does not affect the state's financial conditions.

If your organization would like to sponsor a mini seminar please contact one of the board members or me, we want to work with you to improve your attendance and bottom line.

We definitely need your association to join us, for the future of bingo.

If you do not have your bingo listed on the ACGM web-site, we encourage you to do so it has increased the attendance at some bingos.

Sincerely yours.

Thomas E. Murphy

Large or small we need you all.
